## The home of Burscough Football Club

As you can see, we are still working hard to complete all the new development and infrastructure improvements at the ground, so we appreciate your patience whilst this continues.

We have made great progress since the end of the 23/24 season and our new function room named the '1946 Lounge' is now fully operational along with the viewing terrace and new 100-seater stand, located next to the new hospitality suite and accessible viewing area.

Visitors can purchase hot and cold drinks plus a variety of food and snacks at our Burscough FC "snack hut". Along with these is the Burscough FC pitch-side bar, which is fully licensed to sell alcoholic beverages as well as soft drinks.

We hope you enjoy your visit.

**We would like to extend a warm welcome to our visitors today...**

# BURSCOUGH FC MANAGER DAVID DEMPSEY

Good Afternoon,

Thank you for joining us today for our FA Vase fixture against Droylsden.

The FA Vase is a competition that means a great deal to everyone involved with the club.

A good cup run not only boosts morale but also brings the whole community together, creating memories that last well beyond the final whistle. The lads have been working tirelessly in training, and we've been focusing on refining our approach to give ourselves the best possible chance to advance.

Droylsden will be a tough opponent, and we're expecting a competitive match. However, the magic of the cup gives us that extra drive to dig deep and push for the result we know we're capable of. Today is about showing the passion and commitment that a cup run demands.

Thank you for your continued support, and I hope you all enjoy the game today.

Cheers,

Demps

# Hi Harry, thank you for joining us today for this mini matchday interview.

So Harry, you've recently signed a contract with Burscough FC, tell us how you feel about this?

*Having recently signed a contract with the club particularly on a personal level will allow me to play my best football as I know I have the full backing of the management team and the club which is something I've not had for a while. Not only this but it is further motivation to work harder in the training ground and externally, all of this to kick on and help the lads and management team as much as I can to achieve the targets that were set out in pre-season.*

Today we face Droylsden in the FA Vase, how are you feeling about this game?

*Firstly myself and the lads are excited as the FA vase is a chance at getting to Wembley however, the quality of the teams at this level has gone through the roof this year so every Game is going to be tough. Droylsden have been on a good run of form by all accounts so it will be a tough game but one we are prepared for.*

What are your ambitions for the season?

*My personal ambition for the season is to play every minute of every game remaining this season whilst helping the lads towards finishing as high up the table as we can. We have a very good group this season both ability wise and within the dressing room, everyone's mates and that can take you a long way within the season so let's see how far we can go as a club.*

How did you get into football and what motivates you to keep playing?

*I got into football as soon as I could walk, my mum and dad took me to my local team training which at the time was Hesketh Colts and Churchtown Athletic. The motivation to continue playing comes from the desire to win first and foremost, there's no better feeling than coming off the pitch with 3 points with a good group of lads.*

What has been your favourite moment playing for Burscough so far?

*Favourite moment playing for Burscough so far was coming back from 2-0 down, away against Charnock last season.*

# Droylsden

## Club History

Droylsden were originally formed at the invitation of Joseph Cropper, the landlord of the Butchers Arms public house, to play behind the pub. After twenty years of friendlies and local leagues, disbandment, reformations and changes of strip, the club emerged from World War I the sole survivors amongst the village teams, and as members of the Manchester League.

The club also adopted their now traditional colours of red and white, the inspiration for the unusual nickname of The Bloods.

Two games in the 1921 Manchester Junior Cup Final against Hyde United who were in the Manchester Football League attracted over 1,500 fans to see Hyde prevail. However, the Bloods had their revenge two years later, taking the Cup from their local rivals.

The 1930s was the era of Droylsden's record goal scorer, Ernest "Gilly" Gillibrand, scorer of 275 goals in just four seasons. Gilly's goals saw Droylsden to the Manchester League Championship in 1931 and again in 1933, and in the latter season he aided Droylsden to the Third Qualifying Round in their first season in the FA Cup.

In 1936, the club successfully applied to join the Lancashire Combination and, a season later, became a nursery club to Manchester City, whose A team played at the Butchers Arms. Also their surplus players were available to Droylsden, who were then disqualified from the FA Cup.

When other competitions were suspended in 1939 at the start of World War II, Droylsden entered the Cheshire League, reaching their highest ever league position as runners-up in their second season in 1945-46. However, the club couldn't build on that start and, four seasons later, failed in their second successive bid for re-election. Worse was to come with the sale of the Butchers Arms lease to Belle Vue FC, who renamed themselves Droylsden United. All of which meant that the Bloods were forced out to the nearby Moorside Trotting Stadium. The town wasn't big enough for two clubs, especially with bad feeling between them, and after the local council bought the ground, a merger was negotiated.

Droylsden came home in 1952 to a renovated ground whose pitch had been rotated to its present position, finally eradicating a long-standing drainage problem.

Two decades in the Combination ended in 1968 with a return to the Cheshire League, after the formation of the Northern Premier League. The club won the Manchester Senior Cup in 1973, 1976 and 1979 and enjoyed some FA Cup success, reaching the Fourth Qualifying Round four times in five seasons and the Cup proper twice.

In 1976 Droylsden lost 5-3 in a First round replay at Grimsby Town, after a late home goal was disallowed. In 1978, Dave Taylor's goal at Rochdale sent Droylsden through to a second round tie at home to Altrincham, who ended the run with a 2-0 win. However when the late 1970s side broke up, Droylsden's fortunes slumped, and they finished a distant bottom of the First Division in 1982. They were then placed in Division Two of the new North West Counties Football League. The unstable period ended with the appointment of Mark Fallon as player-manager. In his second season Fallon guided the club to the Second Division Championship, which was Droylsden's first senior honour.

After finishing third in the inaugural season of the Conference North in 2004-05, Droylsden were looking to go one better and reach the top tier of non-league football for the first time in their history. A fourth-place finish in the 2005-06 season gave Droylsden a second chance to reach the Conference National through the play-offs. However, they narrowly missed out on promotion in a penalty shoot-out in the final against Stafford Rangers.

On 29 March 2006 Droylsden lost 2-1 to Hyde United in the final of the Manchester Premier Cup. On 18 April 2007 they beat Flixton 3-0 in the final of the Manchester Premier Cup. Three days later they beat Harrogate Town 2-0 and so won promotion to the Conference National as Conference North champions with two games in hand. However, they struggled in the Conference National, and were relegated back to the Conference North on 8 April even though they beat Farsley Celtic 2-1, due to Weymouth's draw against Grays Athletic the same evening.

A return to the blue square north in the 2008/09 season saw Droylsden finish seventh with an almost completely rebuilt squad. Winners of the Manchester cup and a long unbeaten run in the FA cup, only to be disqualified for an administration error regarding an ineligible player.

2009/10 saw Droylsden clinch a play off spot finishing fifth in the league and after a great display against Fleetwood Town winning 2-0, they lost the away leg 3-1 and went out 5-4 on penalties

The 2010/11 season threw up a mixed bag of results and given the high standards the club has set itself over recent years it was a disappointment not to be involved in the play offs, having said that the club continues to punch above its weight in the Blue Square North on low attendances and should be proud that they are able to compete in such a tough league against clubs of such high pedigree.

The FA Cup and the FA Trophy runs were highlights of the season. The team got further than ever before in The Trophy which was a fantastic achievement in itself. The club was also involved in a great FA Cup run culminating in drawing at home to Leyton Orient on live television only to be beaten in extra time at the away replay in a somewhat bizarre ending to a game in which for long periods the Bloods outplayed the O's.

Silverware was once again in the trophy cabinet courtesy of another Manchester Premier Cup win over Ashton United in the final. The Bloods winning a competitive game 4-3.

The 2011/12 season saw the Bloods finish in a respectable ninth position in the Blue Square North.

They exited the FA cup at the 4th qualifying round after two games with Blyth Spartans which was disappointing as they dominated these matches but could not convert the chances that came their way. A great win over Mansfield Town at home in the FA Trophy was a season highlight but they were beaten in the next round by Kidderminster Harriers. Droylsden's dominance of the M/cr premier cup in recent years came to an end when they were not in a position to field a team to contest the final, the game and the cup were awarded to Mossley.

The 2012/2013 season proved to be the worst season for a good number of years in terms of both results and off field problems, financial constraints on the club meant that more resources were channelled into sorting out these finances and the playing side obviously suffered, perhaps inevitably relegation loomed for most of the season despite the best efforts of management and players. So a new start in a new league beckons for 2013/2014 in the Evo Stik Premier league.

The 2013/2014 season was a disaster on the field but off it a great triumph was relatively unheralded outside the club and that was the achievement of staying in business and being able to continue the history of Droylsden FC, all funds were channelled into paying off our debts with nothing left for the playing budget, inevitably despite the best efforts of everyone involved relegation to the Evo Stik first division ensued, hopefully now is the time for rebuilding as we look to the future and try to put the dark days behind us.

The 2014/2015 season finally saw some stability return to the club, off the field our chairman managed to bring our finances under control with the settlement of a large debt, and on the field we were in a position to field a competitive team for the first time in a few seasons. A mid table finish was a great improvement on previous years and whilst it was not a remarkable season in terms of success it does look as if we have managed to stop the downward spiral the club had been involved in and it gives us a platform to try and bring some success back to the club, this season did prove to the Droylsden faithful that there is light at the end of a long, dark tunnel and hopefully this season can be the start of another journey onwards and upwards.

The 2015/2016 season was another season of consolidation and was pretty much nondescript in the main, no good cup runs and a league campaign which was disappointing, although there was never a real possibility of relegation a final league position of 19th was not what anyone had wanted or expected but the club showed its fortitude once again by maintaining its trading position and there is real hope that as we progress off the field we can once again do the same on the field.
