The Community Ground

The home of Burscough Football Club

As you can see, we are still working hard to complete all the new development and infrastructure improvements at the ground, we appreciate your patience whilst this continues.

We have made great progress since the end of the 23/24 season. Our new function room, the '1946 Lounge', is now fully operational, along with the Churcher Estates-sponsored viewing terrace and a 100-seater stand next to the hospitality suite and accessible viewing area.

Visitors can purchase hot and cold drinks plus a variety of food and snacks at our Burscough FC "snack hut". Along with these is the Burscough FC pitch-side bar, which is fully licensed to sell alcoholic beverages as well as soft drinks.

We hope you enjoy your visit.

We would like to extend a warm welcome to our visitors today...

BURSCOUGH FC MANAGER

DAVID DEMPSEY

Good Afternoon.

Firstly let me welcome FC St Helens to Burscough for this afternoon's fixture. On a personal level I have friends within the club and I have a lot of respect for what FC St Helens have achieved over the last 12 months. Today however I am looking to gain another massive 3 points and I am sure my players will be going out confident and excited to play the game today.

November was incredibly hard but one where I will look back at towards the end of the season looking at it as a period where I learned a great deal about myself as a manager, and in the tough times you always have to believe in yourself . We have had a huge change in dynamic within the group recently and things are looking and feeling a lot better. The new signings have come in and hit the ground running and the existing squad have really stepped up. We have had a couple of great results but it counts for nothing if you can't build on them.

Last time out we drew 2-2 against FC St Helens away from home. Today I am hoping to better that and come away with all 3 points. We know today will be a tough fixture and FC will pose some threats in key areas and my players will all have to be at their best and compete for the full 90 minutes today if we are to gain maximum points today.

I hope you all enjoy today's game and the lads give you all something to cheer about again.

Cheers.

Demps.

Ellen Baybutt

Those that knew Ellen describe her as a lovely lady who was a real character, always jolly and friendly as well as "the lady that ran the snack bar at Victoria Park."

One of three sisters - the middle one between Margaret and Janie - Ellen devoted her spare time to help out the football club that was sited a mere 12 yards from her home on Mart Lane where she was born and lived for an incredible 100 years.

I am told that she was a fantastic baker and her "little fancy cakes" were loved and devoured by directors of BFC and their guests during half time hospitality.

Beyond her snack bar duties, Ellen and Margaret would wash the first team kit and have it looking pristine.

In later years, after she hung up her "canteen pinny" when no longer able to go to the match, Ellen would be standing at her front door waiting to ask the first passing fan returning from the match the simple question... "Who won?"

Ellen's devotion to her beloved club was marked by Burscough F.C. bestowing on her the title of Life Vice President.

As her physical health became a problem for her, Ellen moved into Park Grove where her carers remembered her as being "a sharp as a tack" and always kept them on their toes.

Ellen resided at Park Grove until she passed on the 9th October 2013...exactly a month before her 107th birthday.

A fitting tribute came when someone recently described her as...

A True Legend of Burscough Football Club

TEAM CHANGES BRING FORTUNE

CHANGE

BURSCOUGH 1 IRLAM 0

By Neil Leatherbarrow

Burscough manager David Dempsey wielded the axe on Saturday and the action worked, from their previous nine league and cup games Burscough had gathered just one draw, in other words eight defeats.

Things had to change and five players who had started in their Macron Cup defeat at Maghull were not in the starting eleven on Saturday, four of the new names players were either new to the club or players who hadn't played for a good while. Dempsey had lost his patience and acted, he was proved right.

Last week was the week that celebrated Dave Dempsey having spent twelve months in the Linnets managers' office, so perhaps it was a time to make changes.

The first-half was close, Irlam have been on a good run in the North West Counties Premier Division and a win at the Community Ground would put them within one place of a play-off position, so they were out to win. Irlam started well and Burscough defended well, goalkeeper Ben Barnes making one or two good saves, defenders stoutly blocking out the opponents from down by the Manchester Shop Canal.

Burscough gradually got into the game and some understandings between the new players began to develop, a free kick just before the interval was the most threatening situation for the men in green, but had been a good half.

The general view of the home support as they sampled the interval refreshments was that it was a considerable improvement on recent games and they were positively looking forward to the second-half.

The weather was poor with wind and rain dominating things and only two minutes of the second period had elapsed when the crucial moment arrived, Burscough won a corner and Kian Bell sent it curling under the crossbar, after a challenge involving a number of players the ball went into the net, 1-0 to Burscough, the next discussion was who scored it and a couple of candidates emerged before it was finally confirmed that the ball had gone straight into the net, making Bell the Linnets hero.

Burscough were buoyed by the goal and went close to a second on 56 minutes, that was before on the hour a change made that made them look far more dangerous up front, Callum Laird coming on a substitute, the effect was to put two men in attack and on this day of change was another good one.

Laird isn't that tall but he is quick and direct, alongside Sam Turner he came into his own on the counterattack. As the game reached its latter stages, Burscough put a free-kick just over the crossbar and Ben Barnes made a couple of saves but Burscough looked in control, Irlam were very much on the offensive but Burscough were closing them down well and they limited them to not much.

The bad run for Burscough was over and victory was deserved and well executed, the players get praise for their hard work and commitment, manager Dave Dempsey also gets it for bravely making the necessary changes that made all the difference. It is Bury at home next week a free hit for Dave Dempsey's team and one that can be a good building block.

FC ST HELENS

CLUB HISTORY

FC St Helens was formed in 2014 at the heart of the Town. They are a club developing constantly and growing based on a strong held set of values - playing football the way we believe it should be played and conducting ourselves correctly both on & off the pitch with a professional approach to our progress.

They place a strong emphasis on developing young players from their town and giving them the opportunity to represent St. Helens - making them into better people as well as better players.

Their first season saw them playing in the Third Division of the West Cheshire League. They secured a top six finish having won 11 of their 26 league games that season, but they were somehow behind Champions Kirkby Town Railway. They also reached the Semi Final of the West Cheshire Bowl, losing to Bootle Reserves.

That summer saw them move to the Cheshire League, with better facilities at most grounds and most teams playing a better standard of football which would help the development of players.

Placed in the Second Division of the league, they finished fourth in the league, losing just five games that season. They also topped their group in the J A Walton Cup, before losing in the Quarter Finals on penalties to Golborne Sports.

That 4th place finish was enough for promotion to the First Division for the next season, and 14 wins from their 30 games brought a 5th place finish, a really good showing for a newly promoted team.

The 2019/20 season saw FC St Helens in 5th place, five points off leaders Whaley Bridge Athletic but with two games in hand. But with two weeks of the season to go and plenty to play for, Covid-19 brought a premature end to the season.

The following season was late getting underway, not starting until September, but FC St Helens got off to a flier.

A 4-4 draw to start was followed by eight successive league victories, and by Christmas the club were unbeaten and 12 points clear of their nearest rivals with a goal difference of +30.

Once more though, Covid-19 brought a premature end to the season for the second successive year, much to the frustration of everyone at the club. Football briefly returned in April with the playing of the JB Parker Cup, with a deflated Stripes losing in the Quarter Final.

FC ST HELENS

CLUB HISTORY

In the 2019/20 season FC lifted their first major trophy, lifting the highly prestigious Lancashire County Amateur Shield, after a covid delay winning 2-0 against Lostock St Gerrards.

Covid-19 though did mean that a lot of the work was completed to bring the ground up to standard. Not only was the changing block completed, but a covered stand was put behind the goal and hard standing on three sides of the ground. The final thing was getting planning permission granted for floodlights to go up after promotion.

2020/21 was a great season for the club. After two frustrating years, we finally lifted the Cheshire League Premier Division trophy, winning the league by 12 points and losing just four games all season.

The club were all set for promotion, but a final twist saw the club receive the devastating news that they had failed to reach the required ground grading. This was due to a difference of interpretation of the hard-standing around the ground.

An appeal to the FA brought the sensible decision that this was just down to a difference of interpretation, with the FA promotion the club to the NWCFL for the 2022/23 season.

The summer has seen the hard-standing extended to four sides, with floodlights going up by end of Sept 2022

Our debut Season in the NWCFL, proved to be very successful and pushed all the way to a Promotion Play off final, missing out on pens and a fantastic cup runs in the Macron Cup and FA Vase.

The continued winning mentality of this club again fed through to the 23/24 Season when newly appointed First Team Manager Mike Smith led the team to 12 wins and a Draw in the first 13 games of the season and set the tone for the rest of the season.

This excellent start was the foundation of the club securing the First Division title with 3 games to spare; In addition to this Mike Smith then led the club to a Champions Winners Cup by beating Brocton on their own turf 1-0 and end what was an amazing season for FC ST HELENS.
