VOCATIONAL COLLEGE

The Community Ground

The home of Burscough Football Club

As you can see, we are still working hard to complete all the new development and infrastructure improvements at the ground, we appreciate your patience whilst this continues.

We have made great progress since the end of the 23/24 season and our new function room named the '1946 Lounge' is now fully operational along with the viewing terrace and new 100-seater stand, located next to the new hospitality suite and accessible viewing area.

Visitors can purchase hot and cold drinks plus a variety of food and snacks at our Burscough FC "snack hut". Along with these is the Burscough FC pitch-side bar, which is fully licensed to sell alcoholic beverages as well as soft drinks.

We hope you enjoy your visit.

We would like to extend a warm welcome to our visitors today...

South Liverpool

BURSCOUGH FC MANAGER

DAVID DEMPSEY

Good afternoon,

What a September it has been – four league wins out of six and only one league defeat.

We are currently enjoying a great run of form, and today presents another opportunity to continue this positive momentum. Previous months have seen us fluctuate a bit in form, and it's crucial to capitalise on games like today to keep building points and climbing the table. We're currently just five points off 3rd place, which shows how tight the league is after 14 games, as we sit in 13th. There's very little separating the top 16 teams, and with a sustained run of wins, we could find ourselves in a much stronger position over the next 4 to 5 games.

Over the last week, we've strengthened the squad further with the additions of Ben Barnes and **Callum Laird**. Both players have played at higher levels; Ben is a fantastic addition between the posts, and Callum, who won this league last season and was a key part of Wythenshawe's great campaign, will provide us with the goals and work rate in attack that we have been crying out for.

As for today, I want to see us compete and avoid complacency. We have a very talented group of players, but without hard work and dedication to each other, we won't win games – that's a simple fact. It's essential that we aim for back-to-back wins, and today is the perfect platform to start. I know the lads are eager for success this season, but ultimately, their performances will determine what success looks like for us by April 2025.

I'm really looking forward to today's game, and I hope you all are too.

All the best,

Demps

SOUTH LIVERPOOL CLUB HISTORY

Although the name of South Liverpool FC first came about in the late 19th century the clubs that bore that name until 1921 had no connection with the current club, although enjoying good success before the First World War.

The current club was founded in April 1935 to respond to the increasing South end population and began playing in the 1935/36 season in the Lancashire Combination at Holly Park. Success was immediate and by the outbreak of the Second World War the Lancashire Combination had been won three times in succession as had the Lancashire Challenge Trophy and most impressively South defeated Cardiff City 2-1 in the Welsh Cup final at Wrexham in 1939. The resumption of football after the war saw South in the Cheshire League but it was never to bear the success of the pre war years.

South went back to the Lancashire Combination in 1952. The mid sixties saw success under manager Allan Hampson sufficient to qualify by right for the Northern Premier League. South would always struggle against wealthier, well supported clubs at this standard. In 1983/84 South enjoyed their best post war season under first John King & George Rooney then Brian Griffiths as they annexed the NPL League Cup, the Lancashire Challenge Trophy and the Liverpool Senior Cup. South's success was not built upon and while two more Liverpool Senior Cup wins followed along with the NPL Presidents Cup,

Holly Park was lost in 1989 and the limited company was liquidated in 1991. The site of Holly Park was later converted to the impressive Liverpool South Parkway station. South supporters had already formed a committee to take over the football club and in 1992 were in the Liverpool County Combination.

A nomadic home was then South's main issue but at the dawn of the Millennium secured its home at the North Field, Jericho Lane, Otterspool. South were consistent top half finishers in the Liverpool Combination / Liverpool County FA Premier League and won the George Mahon Cup at Goodison Park in May 2009. In 2011 after a poor season on the pitch South took the decision to switch to the West Cheshire League and immediately won two consecutive divisional titles to be in the top division in 2014. The First Division was won in 2015, retained in 2016 when two cups were added, making it a triple winning season.

2019 saw South's main teams home venue move 200 yards down the road to the Jericho Lane Hub where the stadium pitch has floodlights, the cover and stand were added by the club making it suitable for National League System games. After the cancellation of the 2019/20 season South took the West Cheshire League title in 2020/21, achieving promotion to the North West Counties League for 2021/22, thirty years after our semi pro status had been lost.

The first season back at this level saw South finish 13th in the league as well as reach the First Round Proper of the FA Vase. 2022/23 saw South improve on the league position ending 9th. They finished 5th in the regular 23/24 season and first defeated runners up Atherton LR and then Ashton Town to gain promotion via the play offs to the North West Counties Premier Division.

South's reserves also gained promotion to the First Division of the West Cheshire League just four seasons after our first team played there. Our third team in the Liverpool County Premier League Division One won the Liverpool County FA Junior Cup Final in May 24. The senior youth team (Under 18) operate in the West Cheshire League Youth Division with our Sunday Under 18 side in the prestigious North West Youth Alliance. They won their league cup trophy as Under 17's to end the season on a high. The club has both a Saturday and Sunday Veterans side, the Sunday side winning their Cheshire Vets division. Our Vets and Youth sides continue to use the North Field as their home ground.

The club's junior set up has teams in the Liverpool Premier Junior Leagues, Belle Vale Junior and Bootle Leagues, making the club one of the biggest in the City.

South has a number of well-known ex players including Jimmy Case and John Aldridge who both started their careers at South before playing with distinction at Anfield. John has been a recent match sponsor. Our manager Martin Ryman has been in charge since 2001 and is our longest ever serving manager. He also played for us from 1992 to 2000.

He passed 850 games in charge at the start of this season. His assistant is Stephen Ward who made 427 first team appearances in goal for South between 1995 & 2016, keeping a club record 132 clean sheets.
